None of Data Recipient or any of its directors, officers, employees, agents or other representatives shall represent, or shall cause or permit any other person to represent, either directly or indirectly, that Data Recipient or all or any part of the Data Recipient's Service or any equipment utilized by Data Recipient is sponsored or endorsed by the Exchange or any of its Affiliates.
- (g) Obligations re: Use of CUSIPs. Data Recipient agrees and acknowledges that the CUSIP database and the information contained therein is and shall remain valuable intellectual property owned by, or licensed to, CUSIP Global Services ("CGS") and the American Bankers Association ("ABA"), and that no proprietary rights are being transferred to Data Recipient in such materials or in any of the information contained therein. Any use by Data Recipient outside of the clearing and settlement of transactions requires a license from CGS, along with an associated fee based on usage. Data Recipient agrees that misappropriation or misuse of such materials will cause serious damage to CGS and ABA, and that in such event money damages may not constitute sufficient compensation to CGS and ABA; consequently, Data Recipient agrees that in the event of any misappropriation or misuse, CGS and ABA shall have the right to obtain injunctive relief in addition to any other legal or financial remedies to which CGS and ABA may be entitled.

Data Recipient agrees that Data Recipient shall not publish or distribute in any medium the CUSIP Database or any information contained therein or summaries or subsets thereof to any person or entity except in connection with the normal clearing and settlement of security transactions. Data Recipient further agrees that the use of CUSIP numbers and descriptions is not intended to create or maintain, and does not serve the purpose of the creation or maintenance of, a master file or database of CUSIP descriptions or numbers for itself or any third party recipient of such service and is not intended to create and does not serve in any way as a substitute for the CUSIP MASTER TAPE, PRINT, DB, INTERNET, ELECTRONIC, CD-ROM Services and/or any other future services developed by the CGS.

Data Recipient acknowledges that NEITHER CGS, ABA NOR ANY OF THEIR AFFILIATES MAKE ANY WARRANTIES, EXPRESS OR IMPLIED, AS TO THE ACCURACY, ADEQUACY OR COMPLETENESS OF ANY OF THE INFORMATION CONTAINED IN THE CUSIP DATABASE. ALL SUCH MATERIALS ARE PROVIDED TO DATA RECIPIENT ON AN "AS IS" BASIS, WITHOUT ANY WARRANTIES AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR, PURPOSE OR USE NOR WITH RESPECT TO THE RESULTS WHICH MAY BE OBTAINED FROM THE USE OF SUCH MATERIALS. NEITHER CGS, ABA NOR THEIR AFFILIATES SHALL HAVE ANY RESPONSIBILITY OR LIABILITY FOR ANY ERRORS OR OMISSIONS NOR SHALL THEY BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT OR INDIRECT, SPECIAL OR CONSEQUENTIAL, EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, IN NO EVENT SHALL THE LIABILITY OF CGS, ABA OR ANY OF THEIR AFFILIATES PURSUANT TO ANY CAUSE OF ACTION, WHETHER IN CONTRACT, TORT, OR OTHERWISE, EXCEED THE FEE PAID BY DATA RECIPIENT FOR ACCESS TO SUCH MATERIALS IN THE MONTH IN WHICH SUCH CAUSE OF ACTION IS ALLEGED TO HAVE ARISEN. FURTHERMORE, CGS AND ABA SHALL HAVE NO RESPONSIBILITY OR LIABILITY FOR DELAYS OR FAILURES DUE TO CIRCUMSTANCES BEYOND THEIR CONTROL.

Data Recipient agrees that the foregoing terms and conditions shall survive any termination of its right of access to the materials identified above.

4. Affiliates and Data Recipient's Service Facilitators

- (a) At the option of Data Recipient, all of the rights and licenses granted to Data Recipient under this Agreement may also apply to Affiliate(s) of Data Recipient to the same extent as applicable to Data Recipient. For this Agreement to apply to Affiliate(s), Data Recipient must submit a list of any such Affiliate(s) to the Exchange in Exhibit C, as amended from time to time. By submitting the names of its Affiliate(s), Data Recipient acknowledges and agrees that the contact information set forth herein shall be deemed to be the contact information for each Affiliate and that DATA RECIPIENT SHALL ASSUME ALL RESPONSIBILITY FOR AND WILL HOLD HARMLESS AND INDEMNIFY THE EXCHANGE AGAINST ANY ACTION OR INACTION BY AN AFFILIATE AS IF SUCH ACTION OR INACTION WERE THAT OF DATA RECIPIENT, AND, WHERE DATA RECIPIENT IS LIABLE FOR ACTIONS AND/OR INACTIONS OF THE OTHER(S), DATA RECIPIENT AND ITS AFFILIATE(S) SHALL BE JOINTLY AND SEVERALLY LIABLE THEREFOR.
- (b) Data Recipient may use service facilitator(s) to facilitate the processing or dissemination of Data in Data Recipient's Service. Data Recipient must submit a list of any service facilitator(s) to the Exchange for approval, such approval not to be unreasonably delayed or withheld. Once approved, Data Recipient must have a legally valid and enforceable agreement with each Data Recipient's Service Facilitator before Data Recipient distributes any Data to such Data Recipient's Service Facilitator, which ensures that the Exchange is protected to substantially the same extent and has substantially the same rights as if each Data Recipient's Service Facilitator were a party to the Exchange's Data Agreement. DATA RECIPIENT SHALL ASSUME ALL RESPONSIBILITY FOR AND WILL HOLD HARMLESS AND INDEMNIFY THE EXCHANGE AGAINST ANY ACTION OR INACTION BY ANY DATA RECIPIENT'S SERVICE FACILITATOR AS IF SUCH ACTION OR INACTION WERE THAT OF DATA RECIPIENT.

5. Permitted Recipients of Data

- (a) Permitted Recipients of Data. Except as otherwise set forth in this Agreement, Data Recipient shall only furnish, or cause or permit to be furnished, all or any part of Data to Affiliates, Data Recipient's Service Facilitators, Individual Users, Applications and Data Clients, or other recipient specified in the Data Requirements.
- (b) Data Recipient's own Individual Users and Applications. Data Recipient will be solely responsible for all acts and omissions of its own Individual Users and Applications (and jointly responsible for those of its named Affiliates) in relation to the use and distribution of Data under this Agreement.
- (c) Data Clients. Subject to section 5(d), Data Recipient may not distribute Data to a Data Client unless the Data Client has signed a Data agreement with the Exchange.
- (d) Agreement with Data Clients that do not Receive Direct Feeds or Redistribute Data. Where the Data Client will not receive direct feeds or redistribute Data, Data Recipient is not required to obtain an executed Data agreement from the Data Client if: (i) Data Recipient represents and warrants that it has, or will have, in place before distributing Data to any Data Client who has not signed a Data agreement, a valid and legally enforceable agreement with such Data Client; (ii) such agreement contains provisions for the benefit of the Exchange substantially similar to the provisions set out in Exhibit D attached hereto, except that if the agreement relates only to the distribution and use of Delayed Data, no provisions relating to the Exchange's audit rights and Data Clients' indemnification obligations are required; and (iii) such agreement shall be subject to applicable Data Requirements.

- (e) Data Client Disputes. In the event of a dispute between the Exchange and a Data Client relating to Data, Data Recipient shall provide to the Exchange a copy of the relevant agreement between the Data Recipient and Data Client. If the Data Client fails to comply with any of the conditions, terms or provisions of this Agreement applicable to the Data Client or the Data Recipient agreement to which it is a party, as the case may be, or any other agreement between Data Client and the Exchange, or has made any representation in any such agreement which was or has become untrue, Data Recipient shall, within five (5) Business Days after receipt of notice from the Exchange of such failure or misrepresentation, cease providing Data to such Data Client and shall, within seven (7) Business Days following the receipt of such notice, confirm such cessation by notice to the Exchange.

6. Modifications

- (a) Modifications by the Exchange. Nothing in this Agreement constitutes an undertaking by the Exchange to continue to: (i) provide Data, the Data System, or any aspect of either, in the present form or configuration or under the current Data Specifications; or (ii) use existing communications facilities. The Exchange, in its sole discretion, may make modifications, additions and/or deletions to: (i) the Data or the Data System; (ii) the Exchange's communication facilities; or (iii) the Data Requirements. The Exchange will provide Data Recipient with at least ninety (90) days' advance notice (by way of email distribution to members and vendors and by posting on the Website) of any material modification, addition or deletion, except to the extent a shorter period of time is required due to any situation that necessitates modifications, additions or deletions on an accelerated basis or otherwise precludes such advance notice or required pursuant to an order of a court, arbitrator or regulatory agency. If any such modification, addition or deletion is not acceptable to Data Recipient, Data Recipient may terminate this Agreement in accordance with section 18(b)(ii). Data Recipient shall be solely responsible for making any modifications to Data Recipient's Service or Data Recipient's System resulting from any modifications, additions and/or deletions made by the Exchange as contemplated in this section.
- (b) Modifications to Data Recipient's System Description. If Data Recipient desires to make use of any Data (including but not limited to developing or communicating derivative information based on the Data, retransmission, redistribution, reproduction or calculation of indices) in any manner not then described in Data Recipient's System Description, Data Recipient may submit a revised Data Recipient's System Description for approval by the Exchange. The Exchange shall promptly approve or reject proposed modifications to Data Recipient's System Description. Data Recipient acknowledges that it is within the discretion of the Exchange to grant or withhold such approval and that the Exchange is not obligated to grant any such approval, and until such approval, if any, is granted by the Exchange, Data Recipient will be acting at its own risk in developing any modification to Data Recipient's Service. If the Exchange approves the revised Data Recipient's System Description, it shall update or replace the then current Data Recipient's System Description.

7. Fees

- (a) Payment a Condition to Access. Data Recipient acknowledges that payment by Data Recipient of all undisputed fees and other amounts set forth in the Data Fee Schedule is a condition precedent for continued receipt of Data by Data Recipient.
- (b) Fees. Data Recipient shall make timely payment of all undisputed Data Fees (as set forth in the Data Fee Schedule as posted from time to time on the Website and provided to Data Recipient by general email distribution) as well as any and all other amounts payable in connection with this Agreement. Subject to all applicable laws, the Exchange reserves the right to change the Data Fee

Schedule on sixty (60) days' advance notice to Data Recipient (which notice shall be provided by way of general email notice to members and vendors and posted to the Website). If any such change to the Data Fee Schedule is not acceptable to Data Recipient, Data Recipient may terminate this Agreement in accordance with section 18(b)(ii).

- (c) Costs of Connection. Data Recipient is solely responsible for any and all telecommunications costs and all other expenses incurred in connecting to and maintaining its connection to the Exchange, including but not limited to any fees payable under any connectivity services agreement the Data Recipient has entered into with the Exchange.
- (d) Payment; Failure to Pay. Undisputed Data Fees are payable within thirty (30) days following the date of Data Recipient's receipt of the invoice. Data Recipient will pay all undisputed Data Fees and other amounts due without regard to any right of setoff or counterclaim. Data Recipient shall pay to the Exchange interest at the rate set forth from time to time in the Data Fee Schedule on all past due fees and other amounts that are not the subject of a legitimate and *bona fide* dispute. Failure to make full payment of outstanding undisputed Data Fees or other amounts within fifteen (15) days of the Exchange's notice that payment is past due may result in suspension or termination of distribution of Data to Data Recipient without notice. If all outstanding Data Fees and other amounts have not been paid in full within the fifteen (15) day notice period, the Exchange may terminate this Agreement without liability or obligation to Data Recipient.
- (e) Fees Collected by Data Recipient. Unless a Data Client has signed a Data agreement with the Exchange which covers such Data, Data Recipient shall be responsible for, and bear the risk of non-payment of, all fees and other amounts associated with Data distributed by Data Recipient to its Data Clients. If Data Recipient or any of its Data Clients is required by applicable law to deduct or withhold any tax, charge or assessment from fees or other amounts due to the Exchange, the fees and other amounts payable to the Exchange shall be increased so that the net amount actually received by the Exchange after the deduction or withholding of any such tax, charge or assessment, is equal to 100% of the fees and other amounts that are owed.

8. Record Retention and Reporting

- (a) Maintenance of Records. Data Recipient shall maintain complete and accurate records in accordance with standard industry practice relating to the receipt and usage of Data and such other information relating to Data Recipient's System and Data Recipient's Service as the Exchange may from time to time request.

- (c) Corrections to Reports. Data Recipient shall have a sixty (60) day grace period (beginning on the due date of the original report) within which to revise or correct its usage reporting in order to obtain retroactive credits. The Exchange will not provide Data Recipient with back credits for original or revised reporting received after the end of the grace period. Revised reporting could include, but is not limited to, reclassification of Data used or distributed, reporting of usage under alternative pricing structures and correction of errors by Data Recipient. This section does not limit Data Recipient's obligations to the Exchange for under-reporting.

9. Audit by the Exchange

- (a) Report. Upon request (such request to be limited to no more than once in any twelve (12) month period unless the Exchange, acting reasonably, has identified an issue relating to the verification or distribution of Data by Data Recipient), Data Recipient shall comply with the Exchange's reasonable procedures and requirements for the verification of all Data used or distributed through the Data Recipient's System.
- (b) Audit Rights of the Exchange. Upon not less than thirty (30) days' advance notice (which notice shall include the scope of such review), unless the Exchange, acting reasonably, has identified an issue relating to the verification or distribution of Data by Data Recipient, from time to time during the term of this Agreement and for a period of twenty four (24) months following the termination of this Agreement (but no more frequently than once in any twelve (12) month period), the Exchange may cause to be reviewed, by its employees and/or a firm of chartered accountants chosen by the Exchange (which firm of chartered accountants may be the accountants or auditors of the Exchange) and acceptable to Data Recipient: (i) Data Recipient's records relating to Data; (ii) Data Recipient's reports and payments relating to Data; and (iii) Data Recipient's System and Data Recipient's Service; provided that any such review shall be subject to the terms of section 11 hereof. Any such audit will be conducted at mutually agreed upon times and will be subject to Data Recipient's standard security procedures.
- (c) Costs of Report or Audit. The costs of any investigation, examination or audit shall be borne by the Exchange unless such investigation, examination or audit reveals an under-payment by Data Recipient of 10% or more or a material breach of the rights or licences granted to Data Recipient hereunder, in which case, Data Recipient shall reimburse the Exchange for its reasonable costs and expenses directly related to conducting such investigation, examination or audit.

10. Proprietary Rights to Data System and Data. Data and any and all materials, specifications, or other information directly or indirectly provided under or received in connection with this Agreement constitutes valuable proprietary information and rights of the Exchange, is not within the public domain and is being provided on a non-exclusive basis. Data Recipient expressly acknowledges that, as between the Exchange and Data Recipient, the Exchange has exclusive proprietary rights in and to the Data System and the Data. The Data System and the Data, including without limitation any and all intellectual property rights inherent therein or appurtenant thereto, shall, as between the Exchange and Data Recipient, be and remain the sole and exclusive property of the Exchange. Data Recipient shall not, by act or omission, diminish or impair in any manner the acquisition, maintenance and full enjoyment by the Exchange or its licensees, transferees and assignees of the proprietary rights of the Exchange in Data and the Data System. Data Recipient acknowledges that Third Party Information Providers who provide information, goods and services to the Exchange in connection with the creation of Data have exclusive rights in their respective information and data. In the event of any misappropriation or misuse by Data Recipient or any other person who accesses the Data through Data Recipient, the Exchange and each of its Third Party Information Providers shall have the right to obtain injunctive relief for its respective data or other information. Notwithstanding the foregoing, if Data Recipient is a Member, the parties' respective rights regarding Member's Private Data are governed by the Member Agreement.

11. Confidential Information

- (a) Confidentiality Obligation. Each party (the "**Receiving Party**") acknowledges that in the course of their dealings and the performance of this Agreement it may obtain confidential information, data or techniques (including know-how, data, patents, copyrights, trade secrets, processes, techniques,

programs, designs, formulae, marketing, advertising, financial, commercial, sales or programming materials, equipment configurations, system access codes and passwords, written materials, feed specifications, compositions, drawings, diagrams, computer programs, studies, works in progress, visual demonstrations, ideas, concepts, and other data, whether in written, oral, graphic, electronic or any other form or medium whatsoever) (“**Confidential Information**”) from the other party (the “**Disclosing Party**”). A Receiving Party shall take all precautions necessary to safeguard the confidentiality of the Confidential Information of the Disclosing Party, including without limitation: (i) those taken by the Receiving Party to protect its own Confidential Information; and (ii) those which the Disclosing Party may reasonably request from time to time.

(b) Permitted Disclosure

(i) A Receiving Party will not disclose, in whole or in part, the Confidential Information of the Disclosing Party to any person, except as specifically authorized under this Agreement. All persons receiving Confidential Information shall: (A) have a need to know such Confidential Information for the purpose of administering this Agreement or the Data Requirements; and (B) either have been informed of the confidential nature of such Confidential Information or be bound by the terms of their employment or engagement to maintain the confidentiality of the Confidential Information.

(ii) A Receiving Party will have no confidentiality obligation with respect to any portion of the Confidential Information of the Disclosing Party that: (A) the Receiving Party independently developed without reference to the Disclosing Party’s Confidential Information; (B) the Receiving Party lawfully obtained from a third party under no obligation of confidentiality; (C) is or becomes available to the public other than as a result of an act or omission of any person bound by an obligation not to disclose such information; or (D) the Receiving Party is requested or is required to disclose by law, regulation, legal process or direction, request or order of a court of competent jurisdiction or Regulatory Authority. If a Receiving Party is requested or required to disclose any Confidential Information of the Disclosing Party pursuant to clause (D), the Receiving Party shall, to the extent permitted by law, provide the Disclosing Party with prompt written notice of such request or requirement so that the Disclosing Party may seek an appropriate protective order or waive compliance by the Receiving Party with the provisions hereof. If, in the absence of a protective order or the receipt of a waiver hereunder, the Receiving Party is, in the opinion of the Receiving Party’s legal counsel, legally compelled or reasonably required by an applicable Regulatory Authority to disclose the Confidential Information of the Disclosing Party, the Receiving Party may disclose such Confidential Information without liability hereunder; provided, however, that the Receiving Party shall disclose only that portion of the Confidential Information which it is compelled to disclose or which legal counsel has advised it is required to disclose.

(c) Unauthorized Use or Disclosure. Each party, as a Receiving Party, acknowledges that any unauthorized use, disclosure or dissemination of the Confidential Information of the Disclosing Party may cause irreparable damage to the Disclosing Party. If an unauthorized use, disclosure or dissemination occurs, the Receiving Party will promptly notify the Disclosing Party and take, at its expense, all steps necessary to recover the Confidential Information and to prevent its subsequent unauthorized use, disclosure or dissemination, including availing itself of equitable remedies including, in its sole discretion, by way of injunction and specific performance. If the Receiving Party fails to take such steps in a timely and adequate manner, the Disclosing Party may take them at the Receiving Party’s expense and the Receiving Party will provide the Disclosing Party with its

reasonable co-operation in such actions as the Disclosing Party may request. The foregoing shall be in addition to and without prejudice to any other rights the Disclosing Party may have under this Agreement or at law or in equity in the event of any breach of this section 11.

12. Use of Marks

Data Recipient hereby grants to the Exchange a worldwide, revocable, non-transferable (except to the extent and manner otherwise provided in this Agreement), non-exclusive, right to use the name of Data Recipient and other logos, trademarks or trade names as provided to the Exchange from time to time by Data Recipient (collectively, the “**Data Recipient Marks**”) solely for the purpose of identifying Data Recipient as a customer of the Exchange; provided, however, that the Exchange does not: (i) modify the Data Recipient Marks in any manner or use them for any purpose other than as set forth in this section; (ii) engage in any action that adversely affects the good name, good will, image or reputation of Data Recipient or the good name, good will, image or reputation associated with the Data Recipient Marks; or (iii) fail to use at all times, the appropriate trade or service mark notice as applicable or other such notices as Data Recipient may from time to time specify on any item or material bearing the Data Recipient Marks.

13. Indemnification by Data Recipient

- (a) Subject to section 4, Data Recipient and those of its Affiliates who are deemed to be subject to this Agreement shall jointly and severally indemnify, defend and hold harmless the Exchange, its Affiliates, and their respective directors, officers, employees, agents and other representatives (the “**Exchange Indemnified Parties**”) from and against all liabilities, obligations, losses, damages, penalties, costs, and expenses of whatever nature (including reasonable legal and other professional fees and expenses), claims, demands, proceedings, suits, actions, settlements and judgments (collectively, “**Losses and Claims**”) suffered or incurred or compelling participation by any of the Exchange Indemnified Parties arising from or out of or in respect of:
- (i) any material non-compliance by Data Recipient, its named Affiliates or Data Recipient’s Service Facilitators with the terms and conditions of this Agreement;
 - (ii) any non-compliance by Data Clients with the terms and conditions of any agreement between the Data Recipient and the Data Client with respect to Data, including Historical Data, or any of the Data Requirements, if Data Recipient has failed to notify the Exchange of such non-compliance within ten (10) days after Data Recipient knows of such non-compliance and the non-compliance has not been remedied; and

- (iii) any assertion of Losses and Claims against the Exchange Indemnified Parties made by any person who receives the Data, including Historical Data, from Data Recipient but not including Non-authorized Information or Member's Private Data (or any person relying upon the Data received by such person) who is not permitted or qualified to receive Data under this Agreement, except or where such Losses and Claims arise from the fraud, gross negligence or wilful misconduct of the Exchange.

The indemnification provided in this section shall include, without limitation, the investigative and administrative costs and expenses of the Exchange Indemnified Parties relating to the detection of any material non-compliance by Data Recipient referred to in clause (i) above or any material non-compliance by Data Clients referred to in clause (ii) above, provided, however, that such costs and expenses are not excessive as compared to the injury the Exchange Indemnified Parties could suffer as a result of any such non-compliance.

- (b) Data Recipient shall indemnify, defend and hold harmless the Exchange Indemnified Parties from any and all Losses and Claims imposed on, incurred by or asserted against the Exchange Indemnified Parties as a result of: (i) any assertion by a third party that Data Recipient's Service infringes any patent, trade mark, service mark, trade secret or copyright or violates any other intellectual property right; or (ii) any defense of or participation by the Exchange Indemnified Parties in any action, suit, arbitration or judicial, investigative or administrative proceeding involving any Losses and Claims described in this section 13(b).

14. Indemnification by the Exchange. The Exchange shall indemnify and hold harmless Data Recipient, its Affiliates and their respective directors, officers, employees, agents and other representatives (the "**Data Recipient Indemnified Parties**") from any and all Losses and Claims imposed on, incurred by or asserted against Data Recipient as a result of: (i) fraud, gross negligence or wilful misconduct by the Exchange; (ii) any assertion by any person that the Data infringes or misappropriates any copyright, patent, trademark or trade secret or copyright or other intellectual property right of a third party; or (iii) any defense or participation by the Data Recipient Indemnified Parties in any action, suit, arbitration, or judicial, investigative or administrative proceeding involving any Losses and Claims described in this section 14. For any claim under section 14(iii), the Exchange will assume the defense of such claim.

15. Indemnification Procedure

- (a) Notice. A person entitled to and seeking indemnification pursuant to the terms of this Agreement (the "**Indemnified Party**") shall promptly give notice to the party or parties, as applicable, responsible for indemnifying the Indemnified Party (the "**Indemnifying Party**") of any claim for indemnification pursuant to section 13 or 14, as applicable (an "**Indemnification Claim**"). Such notice shall specify whether the Indemnification Claim arises as a result of a claim by a person against the Indemnified Party (a "**Third Party Claim**") or whether the Indemnification Claim does not so arise (a "**Direct Claim**") and shall also specify in reasonable detail (to the extent that the information is available) the factual basis for the Indemnification Claim and the amount of the Indemnification Claim or, if any amount is not then determinable, an approximate and reasonable estimate of the likely amount of the Indemnification Claim.
- (b) Procedure for Indemnification – Direct Claims. Following receipt of notice from the Indemnified Party of an Indemnification Claim, the Indemnifying Party shall have thirty (30) days to make such investigation of the Indemnification Claim as it considers necessary or desirable. For the purpose of such investigation, the Indemnified Party shall make available to the Indemnifying Party the information relied upon by the Indemnified Party to substantiate the Indemnification Claim. If the Indemnified Party and the Indemnifying Party agree at or before the expiration of such 30-day

period (or any mutually agreed upon extension thereof) to the validity and amount of such Indemnification Claim, the Indemnifying Party shall immediately pay to the Indemnified Party the full agreed upon amount of the Indemnification Claim. If the Indemnified Party and Indemnifying Party do not agree within such period (or any mutually agreed upon extension), the Indemnified Party shall be entitled to recourse to the courts of the Province of Ontario.

- (c) Procedure for Indemnification – Third Party Claims. The Indemnifying Party shall have the right, at its own expense, to participate in or assume control of the negotiation, settlement or defence of such Third Party Claim and, in such event, the Indemnifying Party shall reimburse the Indemnified Party for all of the Indemnified Party's out-of-pocket expenses incurred as a result of such participation or assumption. If the Indemnifying Party elects to assume such control, the Indemnified Party shall cooperate with the Indemnifying Party, and shall have the right to participate in the negotiation, settlement or defence of such Third Party Claim at its own expense, and shall have the right to disagree on reasonable grounds with the selection and retention of counsel, in which case counsel satisfactory to the Indemnifying Party and the Indemnified Party shall be retained by the Indemnifying Party. If the Indemnifying Party, having elected to assume such control, thereafter fails to defend any such Third Party Claim within a reasonable time, the Indemnified Party shall be entitled to assume such control and the Indemnifying Party shall be bound by the results obtained by the Indemnified Party with respect to such Third Party Claim.
- (d) General Indemnification Rules. The obligations of the Parties in respect of indemnification shall include the following:
- (i) neither Party shall negotiate, settle or compromise any non-monetary element of any Third Party Claim except with the prior written consent of the other Party (which consent shall not be unreasonably withheld);
 - (ii) the obligations of an Indemnifying Party to indemnify an Indemnified Party in respect of Indemnification Claims are subject to the Indemnified Party not permitting any right of appeal in respect of any Third Party Claim to terminate without giving the Indemnifying Party notice and an opportunity to contest such Third Party Claim;
 - (iii) the Indemnified Party and the Indemnifying Party shall cooperate with each other with respect to Third Party Claims and shall keep each other advised with respect thereto. (including supplying copies of all relevant documentation promptly as it becomes available); and
 - (iv) the Indemnifying Party shall not settle any Third Party Claim or conduct any related legal or administrative proceeding in a manner which would, in the reasonable opinion of the Indemnified Party, have a material adverse impact on the Indemnified Party.

16. DISCLAIMER OF WARRANTY. THE DATA AND ANY AND ALL INFORMATION AND MATERIALS RELATED TO THE DATA, INCLUDING BUT NOT LIMITED TO THE DATA SYSTEM AND DATA SPECIFICATIONS, ARE PROVIDED "AS-IS", WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED CONDITIONS OR WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM TRADE USAGE, COURSE OF DEALING OR COURSE OF PERFORMANCE, AND OF ANY OTHER WARRANTY OR OBLIGATION WITH RESPECT TO THE DATA OR THE DATA SYSTEM OR ANY SOFTWARE OR OTHER MATERIALS MADE AVAILABLE TO DATA RECIPIENT AND ALL OTHER SUCH

WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED. THERE IS NO GUARANTEE THAT THE DATA OR THE DATA SYSTEM WILL MEET DATA RECIPIENT'S REQUIREMENTS, BE COMPLETE, ACCURATE, SEQUENTIAL, ERROR-FREE OR OPERATE WITHOUT DELAY OR INTERRUPTION. THE EXCHANGE GIVES NO WARRANTIES OF ANY KIND AS TO THE FITNESS, CAPACITY OR CONDUCT OF ANY OTHER PERSON HAVING ACCESS TO THE DATA OR THE DATA SYSTEM.

17. LIMITATION ON LIABILITIES

- (a) EXCHANGE LIMITATION ON LIABILITY. IN THE ABSENCE OF FRAUD, GROSS NEGLIGENCE OR WILFUL MISCONDUCT OR A CLAIM ARISING OUT OF THE EXCHANGE'S INDEMNIFICATION OR CONFIDENTIALITY OBLIGATIONS HEREUNDER:

 - (ii) THE EXCHANGE'S AGGREGATE LIABILITY ARISING FROM OR RELATED TO THIS AGREEMENT AND ITS OBLIGATIONS HEREUNDER SHALL NOT EXCEED, AT DATA RECIPIENT'S OPTION, A CREDIT OR A REFUND IN AN AMOUNT EQUAL TO THE LESSER OF: (I) ACTUAL DAMAGES SUFFERED BY DATA RECIPIENT AS A DIRECT RESULT OF THE EXCHANGE'S ACT OR OMISSION; AND (II) THE AVERAGE MONTHLY AMOUNT CHARGED TO THE DATA RECIPIENT AND COLLECTED BY THE EXCHANGE, CALCULATED OVER THE TWELVE (12) MONTHS PRECEDING THE DATE THAT THE FIRST CAUSE OF ACTION AROSE, INCLUDING A CAUSE OF ACTION THAT IS CONTINUING.
- (b) Third Party Information Providers' Limitation of Liability. The Exchange's Third Party Information Providers shall not be liable to Data Recipient or any other person for any loss or damage, whether direct or indirect, special, punitive, consequential or incidental, relating to inaccurate or incomplete Data or other data or information, or any unavailability, delay, interruption, error or omission in the furnishing thereof, even if the Third Party Information Providers have been advised of the possibility of such damages.

- (c) **Third Party Information Providers’ Limitation of Liability.** Third Party Information Providers shall not be liable to Data Client or any other person for any loss or damage, whether direct or indirect, special, punitive, consequential or incidental, relating to inaccurate or incomplete Data or other data or information, or any unavailability, delay, interruption, error or omission in the

(ii) A Receiving Party will have no confidentiality obligation with respect to any portion of the Confidential Information of the Disclosing Party that: (A) the Receiving Party independently developed without reference to the Disclosing Party's Confidential Information; (B) the Receiving Party lawfully obtained from a third party under no obligation of confidentiality; (C) is or becomes available to the public other than as a result of an act or omission of any person bound by an obligation not to disclose such information; or (D) the Receiving Party is requested or is required to disclose by law, regulation, legal process or direction, request or order of a court of competent jurisdiction or other governmental, regulatory or self-regulatory authority ("**Regulatory Authority**"). If a Receiving Party is requested or required to disclose any Confidential Information of the Disclosing Party pursuant to clause (D), the Receiving Party shall, to the extent permitted by law, provide the Disclosing Party with prompt written notice of such request or requirement so that the Disclosing Party may seek an appropriate protective order or waive compliance by the Receiving Party with the provisions hereof. If, in the absence of a protective order or the receipt of a waiver hereunder, the Receiving Party is, in the opinion of the Receiving Party's legal counsel, legally compelled or reasonably required by an applicable Regulatory Authority to disclose the Confidential Information of the Disclosing Party, the Receiving Party may disclose such Confidential Information without liability hereunder; provided, however, that the Receiving Party shall disclose only that portion of the Confidential Information which it is compelled to disclose or which legal counsel has advised it is required to disclose.

(c) Unauthorized Use or Disclosure. Each party, as a Receiving Party, acknowledges that any unauthorized use, disclosure or dissemination of the Confidential Information of the Disclosing Party may cause irreparable damage to the Disclosing Party and the Exchange. If an unauthorized use, disclosure or dissemination occurs, the Receiving Party will promptly notify the Disclosing Party and take, at its expense, all steps necessary to recover the Confidential Information and to prevent its subsequent unauthorized use, disclosure or dissemination, including availing itself of equitable remedies including, in its sole discretion, by way of injunction and specific performance. If the Receiving Party fails to take such steps in a timely and adequate manner, the Disclosing Party may take them at the Receiving Party's expense and the Receiving Party will provide the Disclosing Party with its reasonable co-operation in such actions as the Disclosing Party may request. The foregoing shall be in addition to and without prejudice to any other rights the Disclosing Party may have under this Agreement or at law or in equity in the event of any breach of this section.

10. **Termination**. Data Client acknowledges that the Exchange, when required to do so in fulfillment of statutory obligations, may by notice to Data Recipient unilaterally limit or terminate the right of any or all persons to receive or use Data, or any part thereof, and that Data Recipient will immediately comply with any such notice and will terminate or limit distribution or furnishing of Data to Data Client and confirm such compliance by notice to the Exchange. In the event of any material breach of this agreement by Data Client, the discovery of any misrepresentation or inaccurate statement by Data Client or where directed by any regulatory authority, this agreement may be terminated on not less than five (5) days' written notice to Data Client provided by either the Exchange, if applicable, or Data Recipient.

11. **Conflicts**. If there is any conflict or inconsistency between these terms and conditions and the terms of any other agreement that Data Client may have with Data Recipient, these terms and conditions shall prevail as between the Exchange and Data Client.
